

AMPNEY CRUCIS VILLAGE HALL EMERGENCY PROCEDURES

If You Discover a Fire (No matter how small)

- Immediately raise the alarm.
- Ask people to leave the hall using the exit(s) furthest away from the fire and to assemble outside on Main Street.
- If you bolt the front door for security reasons, ensure it is opened if it is the best exit to use.
- Shut fire doors, including the kitchen hatch.
- Telephone the emergency services.
- Tackle small fires with appropriate fire appliances only if there is no risk to your self.
- Once you are sure everyone is safely out of the building shut all external doors.
- Ensure clear access for the emergency vehicles.

On being told there is a fire

- Don't panic!
- DO NOT STOP TO COLLECT BELONGINGS.
- Immediately leave the building by the nearest exit (see floor plan), and encourage/help others to do the same.
- Assemble outside on Main Street.
- The organiser should make sure nobody is left in the building. Call 999 from a mobile phone or from nearest occupied building.
- Do not re enter the building until informed it is safe to do so.

First Aid/Accidents

There is a small first aid box in the kitchen drawer.

Cirencester is the nearest hospital with A & E facilities.

Reporting

If there is an accident or incident of any type, please fill in the accident book that is with the First Aid box in the kitchen drawer. A member of the Village Hall Management Committee must also be informed as soon as possible. Depending on the seriousness of the accident a formal report form may be required.

See the floor plan of the hall showing the location of the fire alarm, emergency exits, fire extinguishers.
